

### 3<sup>rd</sup> Algorithmic and Enumerative Combinatorics Summer School 2016

| Title           | Firstname  | Lastname       | Affiliation/Country  |
|-----------------|------------|----------------|--|
| Mr.             | Youssef    | Abdelaziz      | France   |
| Dr.             | Jakob      | Ablinger       | JKU RISC, Austria  |
|                 | Andrei     | Asinowski      | Austria  |
| Dr.             | Afshin     | Behmaram       | University of Tabriz, Iran, Islamic Republic of                                  |
| Phd student     | Imene      | Benrabia       | Algeria  |
| Dr.             | Alin       | Bostan         | INRIA Saclay Île-de-France   |
|                 | Tim        | Boykett        | Institute for Algebra, Johannes Kepler University Linz, Austria                  |
| Dr.             | Jose       | Capco          | RISC/JKU, Austria  |
| Prof.           | Heng Huat  | Chan           |  |
| Dr.             | Diego      | Dominici       | SUNY New Paltz, United States  |
|                 | Theodosios | Douvropoulos   | United States  |
| Prof.           | Michael    | Drmotá         | TU Wien, Austria   |
|                 | Louis      | Dumont         | France   |
| Dr.             | Theresia   | Eisenkölbl     | France   |
| Dr.             | Bernhard   | Gittenberger   | TU Wien, Austria   |
| Dipl.-Ing.      | Benjamin   | Hackl          | Alpen-Adria-Universität Klagenfurt, Austria                                      |
| PhD             | Bin        | Han            | Université Claude Bernard Lyon 1, Institut Camille Jordan, France                |
| Dr.             | Ralf       | Hemmecke       | Austria  |
|                 | Tamara     | Hovhannisyan   | Armenia  |
|                 | Hui        | Huang          | Institute for Algebra, Austria   |
| Dr.             | Gabriel    | Istrate        | e-Austria Research Institute and West University of Timisoara, Romania           |
|                 | Antonio    | Jiménez Pastor | Spain  |
|                 | Emma Yu    | Jin            | Austria  |
| Dr.             | Lin        | Jiu            | Research Institute for Symbolic Computation, Johannes Kepler University, Austria |
|                 | Nikolai    | Karpov         | Russian Federation   |
| Dr.             | Manuel     | Kauers         | JKU, Austria   |
| Mrs.            | Anum       | Khalid         | Queen Mary University of London, United Kingdom                                  |
| Dr.             | Christoph  | Koutschan      | RICAM, Austria   |
| Univ.-Prof. Dr. | Christian  | Krattenthaler  | Universität Wien, Austria  |
|                 | Daniel     | Krenn          | Alpen-Adria-Universität Klagenfurt, Austria                                      |
